LOCATION

Greenville, home of United Hospital, is about 40 miles northeast of Grand Rapids in Montcalm County. Lakeview, home of Kelsey Hospital, is approximately 20 miles north of Greenville.

LIFESTYLE

Greenville has a population of about 16,000 people with the total service area for the hospital at about 75,000. Numerous businesses provide for the community's needs and Greenville Public Schools serve approximately 4,000 students. The high school, grades 9 to 12, is a class "A" school. Summer activities such as a farmer's market, free concert series, and the annual Danish Festival add to Greenville's small city charm. The area is surrounded by lakes, golf courses, and biking and hiking trails.

HOSPITAL

United Hospital is a 65-bed acute care facility with an additional 40 long term care beds. Kelsey Hospital is a critical access hospital with 25 acute care beds and 31 beds in its long term care facility. Services include diagnostic imaging, laboratory, ICU, physical therapy, complete pregnancy care and birthing suites, and skilled nursing care.

United Hospital is home to the Hendrik & Gezina Meijer Surgery & Patient Care Center. The first floor houses a surgery center with two modern surgical suites and a minor procedure room. Additional space has been allocated for future expansion of two additional suites to accommodate an increase in the number of procedures. The second level is dedicated to 24 private beds of inpatient care.

MEDICAL STAFF

With more than 200 medical staff and nearly 470 professional support staff, United and Kelsey hospitals provide local access and quality care to the people of Greenville and the surrounding area.
